**REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.137(b)**

Sir:

Reconsideration is respectfully requested in relation to a Petition Under 37 CFR 1.137(b) to revive the above-identified application, said Petition having been filed on July 21, 2008 concurrently with an Amendment After Final, said Petition having been accompanied by the petition fee set forth in 37 CFR 1.17(m), and said Petition having been accompanied by a statement that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. In a Decision dated November 6, 2008 dismissing said Petition for lack of a required reply under 37 CFR 1.137(b)(1), it was indicated that the Amendment After Final did not constitute the required reply because of a conclusion by the Examiner that the Amendment After Final failed to place the application in condition for allowance. Submitted with this Request for Reconsideration is an RCE together with the requisite fee under 37 CFR 1.17(e) and an Amendment that replies to the Final Office Action dated December 17, 2007, which are believed to constitute the required reply under 37 CFR 1.137(b)(1).

The Petition fee under 37 CFR 1.17(m) having already been paid with said Petition dated July 21, 2008, no further Petition fees under 37 CFR 1.17(m) are believed to be due at this time.

Respectfully submitted,

Date: November 26, 2008
